

Discipline procedures March 2018

Children should be encouraged to follow school rules through positive interventions and praise where appropriate, should this fail the following sanctions will be put into place:

Children will be shown a **yellow card**, this means that they have been given a warning and need to correct their behaviour.

If poor behaviour persists the children will be shown a **red card** and attend detention at playtime.

Should the children have to attend detention 3 times in 3 weeks a letter will be sent home to parents.

If poor behaviour continues the parents will be invited into school for a meeting with the class teacher/head and their child.
