

St Edward's Primary and Nursery School Parent/Carer Code of Conduct

St Edward's Catholic Primary and Nursery School is a caring school which aims to create a stimulating, learning environment in which every individual recognises that they are a member of God's family, made in the image and likeness of God and has the opportunity to be the best they can be. We pride ourselves in our 'open door' policy and welcome all communication between home, school and our wider community.

Code of Conduct

At St Edward's Catholic Primary and Nursery School we value our strong relationship with parents and carers. Together this helps us achieve the very best for our children in a mutually supportive partnership between parents, class teachers, school and parish community. As a partnership, our parents understand the importance of a good working relationship to equip their children with the necessary skills for adulthood. For these reasons we continually welcome and encourage parents or carers to participate fully in the life of our school.

To truly create the best outcomes for children there is a need for the relationship between home and school to be based on the principles of care, integrity, trust and mutual respect, and the Gospel values. The maintenance of this relationship is important to ensure that a child or children are safe (please read our safeguarding policy) and not open to undue distress and anxiety.

Guidance

Parents, carers and visitors are reminded:

- To respect the caring ethos and Gospel values of the school
- That both teachers and parents need to work together for the benefit of their children.
- Approaching school staff for help to resolve an issue is done in an appropriate manner
- All members of the school community are treated with respect using appropriate language and behaviour.
- That the school needs to work with a child in order to clarify their version of events in order to bring about an appropriate solution to an issue.
 - To correct their child's actions especially where it could lead to conflict, aggressive or unsafe behaviour – both on and off the school premises.
 - To use other strategies rather than using 'staff' as threats to admonish their children's behaviour.

In order to support a peaceful, caring and safe school environment the school will not tolerate parents, carers or visitors exhibiting the following:

- Disruptive behaviour which interferes or threatens to interfere with any of the schools operation or activities anywhere on the school premises.
 - Any inappropriate behaviour on the school premises.
 - Using loud or offensive language or displaying temper.
- Threatening, in any way, a member of school staff, visitor, fellow parent/carers or pupil.
- Damaging or destroying school property.
- Sending abusive or threatening e-mails or text/voicemail/phone messages or other written communications to anyone within the school community.
- Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parent/staff, at the school on Facebook or other social sites. (See Appendix 1).

- The use of physical or verbal aggression towards another adult or child. This includes physical punishment against your own child on school premises.
- Approaching someone else's child in order to discuss or chastise them because of the actions of this child towards their own child. (Such an approach to a child may be seen to be an assault on that child and may have legal consequences).
- Smoking, taking illegal drugs or the consumption of alcohol on school premises
- Dogs being brought onto school premises (other than guide dogs).

Should any of the above occur on school premises the school may feel it is necessary to take action by contacting the appropriate authorities and/or sadly, consider banning the offending adult from entering the school premises.

We would like to thank you for abiding by this policy in our school. Together we create a Catholic, positive, caring and uplifting environment not only for the children but also all who work and visit our school.

Note: Can parents please ensure they make all persons responsible for collecting their children aware of this policy.

APPENDIX 1 Inappropriate use of Social Network Site

Social media websites are being used increasingly to fuel campaigns and complaints against schools, Headteachers, school staff, and in some cases other parents or pupils. The Department for Education/Government and Governors of St Edward's Catholic Primary and Nursery School considers the use of social media websites being used in this way as unacceptable. Any concerns you may have about the school or your child/children must be made through the appropriate channels by speaking to the class teacher first and then the Headteacher and then if the issue is still not resolved, the Chair of Governors, where they will be dealt with fairly, appropriately and effectively for all concerned.

Libellous or Defamatory posts - In the event that any pupil or parent/carer of a child/children at St Edward's Catholic Primary and Nursery school is found to be posting libellous or defamatory comments on Facebook or other social network sites, they will be reported to the appropriate 'report abuse' section of the network site. All social network sites have clear rules about the content which can be posted on the site and they provide robust mechanisms to report contact or activity which breaches this. The school will also expect that any parent/carer or pupil removes such comments immediately.

Cyber Bullying – we take very seriously the act of cyber bullying by one child or a parent to publicly humiliate another by inappropriate social network entry. We will take and deal with this as a serious incident of school bullying. The school will also consider its legal options to deal with any such misuse on social networking or other sites.
