

OVERVIEW

Nov-Dec2018

TOPIC:

Around the world.

YEAR GROUP:

Year 2

RE

Sharing in the life of Jesus - This unit is designed to extend the children's knowledge and understanding of the life of Mary and Jesus and the call of the disciples. They will also learn about some saints who have responded to the call of Jesus. They will also be introduced to the prayer of silence as an opportunity to spend time God.

Literacy

Year 2 will be learning The Freedom Bird story and will be able to retell this orally using actions. Children will be writing letters, diaries, newspaper reports, stories, character descriptions.

Numeracy

Year 2 will be learning the 2, 3, 5 and 10 times tables. They will be learning all about division, the inverse of multiplication & division, as well as complete word problems

Science

The science topic for this half term is all about living things and their survival.

ICT

Children will be continuing to learn skills of copy and paste, use a Word document by changing the size, colour and font of letters

Art

Art is cross-curricular across all subjects. .

PE

The children in PE will be doing dance. They will perform routines using different body movements to music.

Design & Technology

Cooking – making healthy foods linking to science topic.

History

This is linked to Geography and RE topic. Children like to see the places where Jesus visited by looking at maps.

Geography

Around the world is our topic. The children will locate different countries using maps and identify different characteristics about different countries, especially China, Australia and Kenya, USA and Brazil.

Music

Weekly singing practice every Wednesday morning.

PSHE

Protective behaviour - The children learn all about Early Warning Signs and discuss ways at staying safe and what to do if we do not feel safe.

Homework

Arithmetic based questions
