St Edward's News Letter

CATHOLIC LIFE

The Year 3 and Year 6 children have been preparing for their Holy Communion and Confirmation.

Year 4 celebrated class mass last week and Father Kevin was very impressed with their reverence and knowledge.

The virtue and value for after half term is Intentional and prophetic, so look out for your children speaking about the doing the right thing and being a good role model for all!

Dear Parents/Guardians,

Date 24/05/19.

The children have had a packed half term of learning and activities! A huge well done to Year 6 and Year 2 who have been taking their SATs this term. They have all worked so hard and we are all so proud of you!

A big thank you to Mr Painter who ran a football match against High Meadow Wednesday. The children enjoyed it immensely and won, well done!

A reminder that it is school policy that the children should be wearing school shoes in school, a lot of black and white trainers are starting to creep in and we appreciate your support with ensuring that your child is wearing school shoes not trainers.

Andy Blair uniform will be holding a uniform shop here on the 18th June between 2.30pm-5.30pm. Flyers and order form will be sent out after half term.

Pre-School enjoyed a trip to Kingsbury water park the children enjoyed den building and finding mini beasts, sounds like a fantastic day!

After half term we are trialling talking stickers, your child will come home with a sticker once a week saying something they have done in school. If your child comes home with a sticker please ask them what they learnt about!

We have a busy half term after the May break and correspondence will be via the text messaging system, please ensure we have your up to date contact details.

This year we will be entering a float to the Coleshill Carnival on Sunday 7th July. The theme this year is circus and musicals so any inspirational ideas would be appreciated! It would be great to see as many St Edwards involved as possible, a letter with more details will follow.

Learning is the lifelong process of transforming information and experience into knowledge, skills, behaviour and attitudes.

The teachers are organising class summer trips letters will be sent out over the next couple of weeks detailing dates etc.

The children really enjoyed seeing their writing work during time to shine assembly, we will be looking at a maths award as well in future assemblies.

I would like to remind you again that we are a 'nut' free school. Please ensure that lunchboxes and snacks do not contain any products that have nuts in as we do have children in school who are allergic to nuts and any exposure could lead to an anaphylactic reaction. Thank you for your understanding.

We wish you a restful half term.

Yours faithfully,
L. Flanagan.

Mrs L Flanagan and staff.
