

In Reception Class this week we are learning:

Our theme is:

Pirates!

Book of the week is:

R.E.

This week we will be visiting our local church and looking at some of the special artefacts that it holds.

Personal, Social & Emotional Development

In circle time, we will be discussing how we have grown over the year and think about all the new things we will learn in our new class.

Communication and language Development/ literacy

The children will be designing their own pirate 'Wanted' posters.

In phonics we will be playing phonic games and writing simple sentences which include tricky words.

Mathematics

In Maths, we will be:

- Using positional language to guide Beebots
- Sorting 3D shapes according to their properties.

Physical Development

This week in PE we will be practising for Friday's Sports Day.

In class we will continue to develop our fine motor skills.

Understanding the world

This week we will be writing about the life cycle of plants.

We will be programming Beebots and using them to navigate large treasure maps.

Expressive art and design

The children will be creating pirate portraits.

How you can help:

Wow, I cannot believe that your children have nearly completed their first year in school; the time has flown by and they have grown and learnt so much. Instead of winding down, this week we have so much going on: summer show practise, three summer show performances and sports day. If you have not yet sent in your child's costume (summer clothes) please can you bring it in before our first performance on Tuesday. Children will also require trainers for sport's day on Friday. Once again, thank you for your continued support.

Homework Task: Phase Four Tricky Word Writing.
