Virtue and Value award. Grateful and Generous. Well done to...

The children celebrated the feast of our school Saint last week with mass. It was lovely to celebrate such a joyous occasion with the children.

Thank you to all the parents, family and friends that have donated money for CAFOD. We have raised £184.75 for our Harvest charity.

A huge thank you for all the donations for the food bank in Chelmsley Wood. They were overwhelmed by our donation. A lovely end to celebrating the grateful and generous virtue and values of the school.

Dear Parents/Guardians,

Date 25.10.19.

The children have had a few fun packed weeks with celebrating space week, black history month with African drumming and lots of creative things in class as well!

Thank you for supporting the children with the parking outside school. The cones have had a positive effect and after half-term we will look at using the safety posters the children have created.

A little note to thank all the PTFA volunteers who helped with the disco and a special thank you for funding the African drumming sessions.

We do have a lot of lost property in school at the moment. Please check by the end of half term if any belongs to your family, any leftover will either be given to PTFA or used as spares in school.

I would like to remind you again that we are a 'nut' free school. Please ensure that lunchboxes and snacks do not contain any products that have nuts in as we do have children in school who are allergic to nuts and any exposure could lead to an anaphylactic reaction. Thank you for your understanding.

Thank you for all your support this half term and we all look forward to working with you all next half term.

Yours faithfully,
L. Flanagan.
