Ourselves

Books of the week:

Do you like?

Religion

In Religion we will explore The Creation story and learn class prayers. We will also look at the parable of The Unforgiving servant and try to forgive one another and ask for God's forgiveness too.

Personal, Social & Emotional Development

We will talk about ourselves and think about how we are different to one another thinking about our likes and dislikes. We will learn new routines in reception.

Communication & Language/Literacy

We will practice writing our own name and other letters. We will talk about ourselves (what we like/dislike) and our families. Phonics sounds this week are: m, d, g and o.

Physical Development

We will change into our PE kits and balance bean bags on different parts of our bodies while moving over obstacles and changing direction. We will continue to practice our letter formation during handwriting.

Understanding of the World

We will play games on the computer using number. We will also think about how we are the same or different to others.

Mathematics

In Mathematics we will be sorting objects explaining how are groups are different or the same. We will also measure our height and handspans while ordering objects by size.

Expressive Arts and Design

We will paint and draw ourselves using different media. We will also use collage techniques to show our favourite part of the creation story.

How you can help:

We shall send home bags for you to fill with some of your favourite things. We will share these with the class during Show and Tell.

We have noticed that some children still need help with toileting. Please help your child to be independent when dressing and encourage them to clean themselves e.g wipe bum.

Homework Task

We are thinking about ourselves and how we are different from each other. Draw a picture of yourself thinking about the colour of your hair and eyes.

Has your child demonstrated any of these skills at home?
