Dear Parents/Guardians,

At this present time thankfully we have no positive cases of COVID-19 in school, Pre-School and Nursery.

We would however like to pre-warn parents who use our wraparound service that should we get a positive test in pre-school or nursery then all staff who work with this year group bubble would need to isolate for two weeks. This would mean due to staff shortages, wraparound/after school club would not be available for the two weeks enforced shut down and unfortunately you would need to make other arrangements for your child/children.

We would also only be able to offer breakfast club to children who are booked in from 7.30am as we have a limited number of staff who are not in the pre-school and nursery bubble that would be able to offer a limited service for the two week enforced lockdown. Any children who are booked in to breakfast club at 8.15am would need to make other arrangements.

We will of course offer a credit on your account if we are unable to provide wraparound for your child/children. Hopefully this will not be an issue and we will continue to offer a full wraparound service to all our children.

Yours sincerely

M McMahon
