Dear Parents,

As part of the school curriculum programme the teachers will create a knowledge organiser to go alongside the topics taught in class.

What is a knowledge organiser?

A knowledge organiser is a document that contains key facts and information that children need to have a basic knowledge and understanding of a topic.

Most knowledge organisers will include:

- the essential facts about the topic, usually laid out in easily digestible chunks
- key vocabulary or technical terms and their meanings
- images such as maps or diagrams
- famous quotations, if relevant.

Below you will find your child's knowledge organisers up to October half term which will inform you of what your child is being taught and the 'bigger picture' of a topic, subject area or specific concepts. Some topics can be complicated, so having the essential knowledge, clear diagrams, explanations and key terms on one document can be really helpful.

If you would like printed copies of these please contact the school office.

Yours sincerely

L. Flanagan

Mrs Flanagan

Headteacher.
