

SPORTS DAY

Sports Day at St Edwards will be held on Friday 12th July 2024.

- **Gates will open at 1pm** for Parents, carers and family members
- **Races will start around 1.15pm**

As always, **we will not be allowing anyone spectating to film or take photos**, we understand the pride and enjoyment you get from watching your Children, but **safeguarding is of paramount importance**. We may have to ask you to leave if you can't adhere to this safety advice.

There will be a viewing area in front of the parents, so when it is your child's year group we will call you forward to get the best view of the race, this hospitality is of no extra cost!!!!

Children are to wear their correct PE kit to School please in line with the School's uniform guidance.

It will be a fun-filled afternoon and we look forward to welcoming you.

Many thanks for your support on the above.

Mr T Carroll - Head of School.
