<p>4 – Implementation of key components</p>	<p><i>The whole school follows the Kapow Music scheme, which is very comprehensive and teacher friendly. St Edwards provide children with the opportunity to listen and evaluate, create sounds, identify notations, improvise and compose and perform by singing and playing. We are regularly in contact with all specialist music teachers to maintain a high level of music lessons across school and communicate upcoming events. We have a bank of songs provided by Kapow (Model music curriculum and listening suggestions) and Mr Jones and we also use CDs to provide opportunities to learn hymns.</i></p> <p><i>We work with external music organisations to provide the children with opportunities to inspire future musicians and provides opportunities to see a live concert. We work with Warwickshire Sings who provide fortnightly lessons to 60 children to develop their singing abilities and create an ensemble. Mr Jones provides music lessons to Y1 and Y6 every half term, offering keyboard, ukulele and glockenspiel and offers small group and 1-1 lessons in school to develop their musical abilities.</i></p> <p><i>Once a week, we run a KS2 choir after school club for children to rehearse and practise songs for Young Voices. Every fortnight we have whole school singing assemblies to learn new hymns and a range of songs.</i></p>

St Edwards offers performance opportunities for all children in school and beyond for parents to attend. We have Nativities (EYFS and KS1) and Carol services (KS2). Each term we have an ensemble to showcase what children have learned in 1-1 music lessons and class music lessons as they create a school orchestra/ensemble. At the end of the year, all children take part in St Edwards SummerShow which showcases the children's singing talents. Every Christmas, our school choir sings at church, residents home and in the town hall.

Succession planning and CPD and musical engagement with feeder secondary schools. We are looking to increase the capacity of music delivery beyond the music lead/specialists and work with secondary schools to provide further opportunities. We are also looking into additional funding from hub/charities/fundraising, proactively trying to find additional funding for music.
