

Dear Parents,

I would like to inform you that going forward a new staff member will be appointed to coach after school football club. I have taken a new full time role with Birmingham City Football Club U21's, that will no longer allow me to fulfil future sessions.

Football sessions will continue as normal until the end of term and will resume after half term with the new staff member in place.

If you have any queries, please get in touch.

Kind Regards,

Mr Painter
