

## Stewardship of God's creation

The world was made by God, so we take care of all creation.

Each day, a group from year 2 ensure our playground area is kept litter free. They are very conscious of the environment and how we look after it. We are very lucky to have such thoughtful children that care so much and show the stewardship of God's creation. #catholiclifeSEP

A fantastic effort has been shown by this pupil outside of school to raise money for @FatherHudsons By completing litter picks and raising money in the process. A true advocate of the values of Live Simply and showing care for creation and the environment. An inspiration to all.
