Friday 2nd May – Election traffic concern

Dear Parents and Carers,

We would like to inform you that on Friday 2nd May, Coleshill Leisure Centre will once again be used as a counting station for the local council elections.

As was the case last year, this is likely to cause significant congestion on Packington Lane, and we anticipate that parking will be extremely limited or unavailable throughout the day.

To help ease traffic and reduce disruption, our recommendation is to avoid driving or parking on Packington Lane on this occasion. Instead, we encourage families to park a short distance away and enjoy a walk to school—hopefully in the sunshine!

If you would like to collect your child early to avoid the busiest period, we will be allowing early collections from 2.30pm, please keep in mind that this could cause considerable work for the office, so please be patient if you opt for this. However, our strongest advice remains to walk, scoot or cycle to school where possible.

Thank you for your understanding and continued support in helping to keep the area around school safe and calm.

Thanks for your continued support, hopefully this advance notice will help.

Yours sincerely,

Mr. T Carroll
