Music tuition at St. Edwards for 2025/26

Dear Parents/Carer,

We are very excited to be able to offer musical instrument lessons to your children in Year 1 through to Year 6.

Learning a musical instrument is not only fun but it can really help in the development of your child's life skills by boosting confidence, supporting wellbeing and developing social skills.

Your child can choose to learn the Keyboard/Glockenspiel, Guitar/Ukulele or singing. The Guitar is undoubtedly the most difficult instrument to play as it requires more physical force from the fingers and is trickier to handle at first. A Ukulele is smaller and more comfortable but still requires more technique development. Keyboards and Glockenspiels are more suitable for children but all instruments are fun and interesting to play. We do suggest extra practice at home whenever possible.

Twenty minute sessions will be held during the school day and your child will work in small groups, learning instrument technique, theory such as note and chord names and performance skills.

The work largely centres around songs that pupils themselves suggest. Each term will have a different topic and songs will reflect the theme.

The rehearsals will then build towards a concert at the end of each term, which is a great way to show just how far they have come! Children in Y1-Y3 will be introduced to ukuleles and progress onto a guitar in Y4-Y6 if they are comfortable doing so.

Prices

11 sessions for £44 due at the beginning of each term. One of these sessions will be the concert.

If you would like to sign up, please email Mr Jones using the format below.

Mr Jones will then email you back with the payment details.

For regular parents from the last few years, Mr. Jones will send a general email to you all anyway. This letter is essentially for parents of Y1 pupils or for those who would like to start this year who haven't done so yet. If your child had lessons previously but no longer wishes to continue then please confirm this too.

Kind regards

Miss Simpson,
Music Co-ordinator.
