### **Spelling Update**

Dear Parents & Carers,

We hope this message finds you well. We're writing to let you know that we've recently reviewed the spelling scheme that was sent home and, upon reflection, identified a few inconsistencies that we feel could impact the clarity and effectiveness of the learning experience.

As part of our commitment to providing the best possible support for your child's education, we've decided to withdraw the previous scheme and introduce a new, carefully selected spelling resource. This updated scheme is more aligned with current best practices and offers a clearer, more engaging approach to spelling development.

Each year group will now be set the same list of ten spellings each week, directly matched to the expectations of their curriculum year. For pupils who require additional support, teachers may adapt this by setting five words from the same list, ensuring that all children can access and succeed in their learning.

We're confident that this new resource will better support your child's progress and make learning spelling both fun and meaningful.

Thank you for your understanding and continued support. If you have any questions or would like to discuss the new scheme further, please don't hesitate to get in touch.

Many Thanks,

*Mr. T Carroll*
